## April 2023 Monthly Report

To: Flatonia City Council  
From: Flatonia Police Department  
Subject: April 2023 Monthly Report

### Calls for Service:

There were **374** calls for service for this month.

### Offense / Incident Report Activity:

On April 1, 2023, Fayette County Dispatch advised all officers of a semi-truck that had smoke and sparks coming off of the trailer. Officer T. Roggenkamp was able to locate the semi-truck on I-10 westbound within Flatonia city limits. At this time, Officer Roggenkamp observed flames beginning to develop and immediately approached the driver and passenger of the semi-truck and told them to exit and get a safe distance away. Officer Roggenkamp notified FCSO Dispatch that fire personnel were needed because the semi-truck and trailer were now fully engulfed. Officer Roggenkamp remained on-scene to maintain traffic control as fire fighters continued to contain and extinguish the fire.

On April 6, 2023, Officer W. Kalina observed a disabled vehicle. Officer Kalina had the intention of assisting the driver. Prior to exiting his patrol unit, Officer Kalina used the information gained from the license plate to determine that the registered owner associated with the vehicle had multiple felony warrants for their arrest. Officer Kalina then approached the driver and had them identify themselves. Officer Kalina was able to determine the individual had three outstanding felony warrants out of three separate counties. Chief L. Dick arrived to assist Officer Kalina with placing the individual in custody and the subject was transported to Fayette County Jail.

On April 6, 2023, Chief L. Dick and Officer T. Roggenkamp were notified of two adult females and an infant child trapped in rising water at the Flatonia exit from Eastbound Interstate-10. It was raining very hard at the time and runoff had caused the off-ramp to become impassable, stalling the vehicle in the rising water. Officers arrived to find the women huddled with the infant child underneath the bridge. The ramp was closed to prevent additional vehicles from attempting to exit and Chief L. Dick waded through waist-deep water to reach the women and infant under the bridge. The Flatonia Fire Department arrived on-scene and was able to drive a truck under the base of the bridge. Fire personnel and Chief L. Dick assisted the women and infant into the fire department vehicle and got them to safety. Officers called a tow truck to retrieve the stalled vehicle and remained until the ramp was again passable.

On April 13, 2023, Sgt. T. Tunis responded to reports of an individual causing a disturbance at a local business. Upon arrival Sgt. Tunis recognized the individual to be intoxicated. Sgt. Tunis advised the individual to find a responsible, safe ride home.

themselves and the public. The individual forcibly resisted during arrest. Sgt. Tunis and a citizen who assisted were able to safely subdue the subject. The individual was safely and promptly placed in custody without further incident. The individual was arrested for Public Intoxication and Resisting Arrest and was transported to Fayette County Jail.

On April 18, 2023, a volunteer firefighter observed an individual in medical distress at a local business. EMS was notified and was responding. Chief L. Dick also responded. Prior to EMS' arrival, Chief Dick recognized the severity of the individual's condition and advised that the individual needed to be flown for medical attention. A helicopter was launched for transport. EMS arrived and transported the individual to the helicopter pad in Flatonia, where the patient was transported by air to Austin.

On April 21, 2023, Officer T. Amos was notified of a verbal disturbance and the residents of the home wanted the individual causing the disturbance to leave. Upon arrival Officer Amos spoke with the individual and advised that they needed to return to their own residence. The individual quickly became agitated and argumentative. Officer Amos tried to deescalate the situation in an attempt to calmly get the individual to leave the scene, but the individual then struck Officer Amos in the face and a struggle ensued. Officer Amos tried to place the subject in custody, but the individual actively resisted. Once in custody the individual was transported to Fayette County Jail for Assault on a Public Servant and Resisting Arrest, Search, or Transport.

**NO FURTHER DETAILED INFORMATION IS PUBLISHED DUE TO ON GOING INVESTIGATION OF CASES.**

**Arrests and Pending Charges**

There were four (4) direct custody arrests for the month of April.

**Traffic Contacts: 124**

All Flatonia Police Officers, including command staff, have conducted traffic control throughout the city and specifically in the areas of town that complaints have been received related to speeding and stop sign violations. Flatonia officers will continue to conduct stationary and mobile radar and observe traffic at intersections to address the traffic concerns.

**In-Service Training:**

On April 4, 2023, Officer W. Kalina completed leadership training. This course focused on leadership and the importance of training, leadership team building, decision-making arcs, traits all leaders should have, outline generational issues, and the importance of exchanging of ideas.

On April 30, 2023, Officer T. Amos completed TCOLE course #3737. This course focused on relevant commission rules and legislative updates, role identification as a leader, values, ethics, and principles within the department environment, communication, leadership styles, how to be an effective counselor, the liability of being an established leader, and the transition from a follower/peer to a leader/supervisor.

Flatonia Police Department officers continuously strive to participate in different training provided every month. Continuous training is vital because of the influence it has on the officer's everyday performance and for professional development.

The exception to this rule is when a governing body is asked to take action on a request and wishes to create a record as to why the denial is justified.
