From: Flatonia Police Department
Subject: May Monthly Report

Calls for Service:

There were 263 calls for service for this month.

Offense / Incident Report Activity:

On May 1, 2025, Sergeant Trey Tunis and Chief Lee Dick responded to a report that a motorcycle, reported stolen in Travis County, was believed to be at a location in Flatonia. The owner of the motorcycle was at the location with the intention of confronting the person at that location. Officers contacted the owner and prevented the possible confrontation. While the resident of the location was not home, the motorcycle could be seen in a back corner of the property. When asked, the owner was able to clearly identify the motorcycle. Officers entered the property and confirmed that the motorcycle was the one reported stolen. The motorcycle was recovered and the agency that took the vehicle theft report was notified.

On May 3, 2025, Sergeant Trey Tunis heard a DPS Trooper make a traffic stop on IH-10 at the Flatonia exit. Sgt. Tunis responded to assist due to multiple occupants and a probable cause search being conducted by the Trooper. During the search, a large quantity of what was believed to be a controlled substance was located under the hood. The Trooper arrested both the driver and passenger, and Sgt. Tunis assisted by transporting the driver to the Fayette County Jail.

On May 9, 2025, FVFD was dispatched to a report of a dumpster fire at the 100 Block of E. North Main Street. Officer Billy Kalina and Chief Lee Dick responded and were joined on-scene by Sgt. Trey Tunis, who was arriving to start his shift. Upon arrival, the dumpster was found to be actively burning. Chief Dick retrieved the fire extinguisher from his vehicle and extinguished the fire. Though the fire was out, the contents were still smoldering, and the scene was released to FVFD.

On May 12, 2025, Investigator Geneva Titus, Officer Taylor Amos, and Officer Cesar Lopez responded to a report of a fight between students at FISD. During the course of the response, it was learned that one of the students was involved in a case under investigation by the Fayette County Sheriff's Office, where tires on vehicles had been slashed, and other possible related events had occurred, including the possible attempted burglary of a residence. This was an active investigation and FCSO was notified. Over the next two days, officers gathered information, took statements, and searched locations related to the ongoing investigation to assist FCSO.

On May 19, 2025, Officer Billy Kalina responded to a suicidal subject on the IH-10 Frontage Road. Officer Kalina and FCSO Deputies searched the area and located the subject, who expressed the desire to harm himself. Officer Kalina contacted mental health authorities while transporting the subject to the hospital for medical evaluation. Officer Kalina coordinated efforts to obtain both medical and mental health care needed to resolve the matter and after medical clearance was obtained from the hospital, the next morning, the subject was transferred to an appropriate mental health facility for help.

On May 19, 2025, a Fayette County Sheriff's Deputy stopped a vehicle on Eastbound IH-10 just outside the Flatonia City Limits. The Deputy was requesting additional officers to assist. Officers Billy Kalina and Jason Bellah and Chief Lee Dick responded to assist. After arriving on-scene, it became apparent that several human beings were being transported, hidden inside round bales of hay. Due to the number of people and language barrier, Investigator Geneva Titus and Officer Cesar Lopez were requested to respond to assist. Once additional FCSO personnel, Fayette County EMS, and Texas DPS were on-scene, Flatonia officers departed and returned to normal duties.

On May 22, 2025, Fayette County EMS was dispatched to report of an 89-year-old female fall victim with possible head injury. Chief Lee Dick, Investigator Geneva Titus, and Officer Cesar Lopez responded to assist FCEMS. Officers assisted EMS with lifting and moving the patient to the stretcher. Officers then departed the scene and FCEMS transported the patient to an appropriate medical facility.

On May 28, 2025, Chief Lee Dick, Investigator Geneva Titus, and Officers Billy Kalina and Jason Bellah responded to a 911 call reporting a disturbance at McWhirter Park. Upon arrival, the disturbance was found to be non-physical and between family members all in the same vehicle. The parties were separated, the situation was calmed, and officers provided a courtesy ride to one family member to resolve the situation.

On May 29, 2025, Sergeant Trey Tunis was dispatched to a report of car burglaries at McWhirter Park. Upon arrival, it was discovered that a total of three vehicles had been burglarized, and items had been stolen from all three vehicles. Sergeant Tunis, Investigator Titus, and other officers worked on the case over the following days. Currently, there are three subjects in-custody, and the investigation now involves multiple suspects and an organized criminal ring that spans numerous counties and several different crimes.

On May 30, 2025, Cadet Nathaniel Grace graduated from the Wharton County Junior College Basic Peace Officer Course. Chief Lee Dick was present at graduation to present Cadet Grace with his badge. Nathan Grace was subsequently sworn in as a peace officer and has begun training as the newest member of the Flatonia Police Department.

NO FURTHER DETAILED INFORMATION IS PUBLISHED DUE TO ON GOING INVESTIGATION OF CASES.

Arrests and Pending Charges

There were no custody arrests for the month of May.

Traffic Contacts:

All Flatonia Police Officers, including command staff, have conducted traffic control throughout the city and specifically in the areas of town that complaints have been received related to speeding and stop sign violations. Flatonia officers will continue to conduct stationary and mobile radar and observe traffic at intersections to address the traffic concerns.

In-Service Training and Events:

On May 1, 2025, Chief Lee Dick and Investigator Geneva Titus attended a meeting at FISD to prepare for the Shattered Dreams event being held at the School on May 15th. Present at the meeting were Robin Branecky, FVFD Chief Swenning, as well as JP 3 Charles Zapalac and the Funeral Director for Smith Funeral Home. Event planning and preparation were finalized.

On May 15, 2025, Chief Lee Dick, Investigator Geneva Titus, and Officers Billy Kalina and Cesar Lopez all participated, along with FCEMS, FVFD, Texas DPS, TPWD, JP 3 Zapalac, Smith Funeral Home, and numerous citizens, FISD faculty and staff, and students in the Shattered Dreams Program at Flatonia ISD. Shattered Dreams is intended to fully simulate the potential consequences of impaired driving to increase student awareness of the dangers it presents.

The baseball field in question is currently included in the lease agreement between the City of Flatonia and the American Legion of Flatonia, as the City owns both the building and land at that location.

The first proposed amendment to remove the baseball field from the American Legion lease was presented on **June 9, 2023**. Since then, the lease amendment has undergone multiple revisions.

On **February 13, 2024**, the City Council voted "*to approve the lease amendment agreement between the City of Flatonia and the American Legion of Flatonia, delegating final authority to the City Manager for final changes.*" However, following that meeting, the American Legion submitted additional revisions and retained legal counsel. An in-person meeting was held on **October 21, 2024**, but a final agreement was not reached.

With a **new City Manager and newly elected Council members** now in place, Council must decide how to proceed with the **most recent version** of the proposed amended lease.

5	Consider and take appropriate action on setting the budget for the sludge removal project.
Summary:	
<p>The current budget for the Wastewater Treatment Plant Sludge Removal Project is \$458,693. In addition to this amount, there are \$96,000 in supplemental funds allocated through the Flatonia Economic Development Corporation (FEDC) budget that were not included when the original project budget was established. This brings the total available funding to \$554,693. The project bid matches the current budgeted amount of \$458,693. However, the project budget may be increased by up to 25% before triggering a requirement to re-bid. A 25% increase would amount to \$573,366, which exceeds the original budget but remains within the range of the total funds currently available. At this time, Council must determine whether the original budgeted amount is sufficient to complete the project or whether to incorporate the additional FEDC funds into the project budget to provide a buffer for unforeseen costs or scope changes within the allowable 25% threshold.</p>
