#### **Consent Agenda**

Committee member Sears, with a second from Committee member Brazill, moved to approve the January 22, 2025, meeting minutes. The vote was unanimous. The motion carried.

#### Discussion Agenda

- 1. Committee member Brazill was absent from the January CPRC meeting but advised the committee that their task is to create a list of Parks projects for the comprehensive plan. Committee member Horn addressed the maintenance list provided by Jon Blair and said she'd like to implement help from the Interact volunteer group at Flatonia High School to handle some of the minor repairs needed. After much discussion, it was decided to propose adding the following projects to the comprehensive plan: 1. Add water features to the splash pad; 2. Add a pickle ball court to McWhirter Park; 3. Add bleachers at the soccer fields in 7 Acre Park; 4. Add a shade cover to the swimming pool; 5. Install lighting on the walking trails.
- 2. City Secretary Ott updated the Committee on lifeguard certification, which will be May 3-4 at the Weimar City Pool with Kathy Rester. Committee Chair Targac advised that lifeguard applications should go out before spring break to ensure the students have enough time to respond before the deadline. She also suggested advertising in Moulton. City Secretary Ott will contact Mary's Pools for minor repairs and review last year's financials to determine the concessions menu. The group decided to open the pool on May 23.

#### Workshop Agenda

City Secretary Ott was tasked with several items from Exhibit A. She will contact the head of the soccer league regarding what to do with the old soccer goal posts, get pricing for replacing the mulch for the playground equipment at McWhirter and Garbade Park, find a new vendor to paint stripes at the basketball court, get prices for picnic tables, and call Texas Disposal Systems for locks on the park dumpsters.
