Opening Agenda

Call to Order	Committee Chair Targac called the meeting to order at 6:00 p.m.
Citizen Participation	None

Reports

1. City Secretary Ott gave an update on the swimming pool. The hours were updated per the last meeting, and the pool will be closed on Sundays due to lifeguard availability.
2. Utility Director Pavlas is working on ordering the mulch and will not install it until a date is coordinated with the Lions Club. City Secretary Ott ordered the climbing wall and will work with the utility workers for installation.
3. City Manager Miller informed the Committee that the City was granted the Texas Parks and Wildlife Recreational Trail Program grant. Utility Director Pavlas will work on installing the lampposts, so both projects are expected to be completed simultaneously.

Consent Agenda

1. Committee member Sears moved, with a second from Committee member Horn, to approve the meeting minutes from April 23, 2025. The vote was unanimous. The motion carried.

Workshop Agenda

1. Committee member Bruns asked to verify the layout of the walking trail around Bruns Field prior to beginning the project. Committee member Horn asked for a formal agreement for the soccer field and Bruns Field to establish responsibility for the equipment that will be installed. City Manager Miller suggested utilizing the arts class at Flatonia ISD to complete a mural at 7 Acre Park. City Secretary Ott will update Garbade Park item #1 to say pea gravel instead of mulch.

New Business Agenda

1. The committee set the projects for the LCRA grant as installing a bridge across the drainage ditch and installing exercise equipment around the walking trail in 7 Acre Park.
2. The committee asked City Secretary Ott to review the Comprehensive Plan Review park list to determine projects for budget requests.
